

Good Judgment.

Money is expended every week of every month in the year—for actual needs, for home adornment, for personal comforts. It's good judgment to turn that current of expenditure where it enables you to secure the best results—to the store where your money possesses the greatest purchasing power. There's a midsummer swing to our July prices that's irresistible—that will further convince you that our store is the SATISFACTORY STORE for you.

Mid-July Economy.

Items here and there in our stock—no cheaper than others we might mention, no better values, but mentioned as money-savers, giving you a general idea of prices prevailing through July. "The Foot of a Fly"

says an eminent English doctor, "will carry enough poison to infect a house-hold."

It is summer, more especially, disease germs fill the air, multitudes are infected, and many die.

These messengers of mischief do not exist for millions. Why not? Because they are healthy and strong—protected as a crocodile is against gun shot. He who has the power to kill them, has the power to let them fall; those who have no resistive power so then a sudden cough or cold develops into graver disease. We hear of suching disease? Why not catch health? We can do it by always maintaining our health.

Scott's Emulsion.

of Castorine Oil, is condensed aromatic food for the building up of the system to resist the attacks of disease.

It should be taken in reasonable doses all summer long by all those whose weight is below the standard of health.
